because every child deserves to wish...

**THANK YOU SO MUCH FOR ALL YOUR DONATION! WE COULDN'T HAVE DONE IT WITHOUT YOU!**

The Upland Residential team and Community Partners of Dallas would like to take a moment to express our sincere gratitude to all of the residents of Ashford and Embry as well as each Upland team member who so generously donated to the Holiday Toy Drive. Thanks to your generosity, we were able to fulfill many Christmas wishes for children in need that live in the DFW Metroplex.

Upland is honored to partner with community organizations that align with our Mindful Missions vision in efforts to continue giving back and supporting our local communities.
